## Make a Deposit in the Story Bank!

In keeping with a request from DOH/DSRIP to create a "story bank," LCHP is gathering success stories from our partners. This is an opportunity to highlight the work we have been able to accomplish as a result of DSRIP. Stories can focus on new programs or initiatives created as a result of DSRIP, a Medicaid member's perspective on how care has improved, DSRIP's impact on the community, and/or other transformation efforts.

The deadline for the first submission is June 29, but the request is ongoing. The suggested length is 1-2 pages. We encourage you to submit a story to help celebrate the success of our collaboration!

Please submit your stories to Cindy Levene at [lucinda.levene@bassett.org](mailto:lucinda.levene@bassett.org) Contact Cindy with questions at 607-322-5154.
